

# Quick Release Pneumatic Hose Couplings

## European Execution Double Lock Claw Couplings

Steel, Female Thread, BSPP

- Robust couplings of malleable iron, zinc plated and yellow passivated (free of chrome VI)
- 100% couple test and sight control
- With oil-resistant rubber ring GOER, on request with steam-resistant rubber ring GDOR (up to 200C) against charge
- Universal coupling, world-wide used system for compressed air in construction and industry
