PART NUMBER:

P3LCA12PESNGLNW

Port Type:

BSPP

Drain Option:

Semi Auto drain

Specifications

Port Size

1/4 inch

Gauge Port Size

1/8 inch

Port Type

BSPP

Body Material

High Tech Polymer

Bowl Material

Polycarbonate

Drain option

Manual

Element

5 micron

Configuration

Filter/Regulator + Lubricator

Working Temperature

0° to +50°C (+32°F to +122°F)

Maximum Working Pressure

10 (Bar) 150 (PSIG)

Pressure Control Range

0.5-8 (Bar) 8-125 (PSIG)

Flow Rate

0-99/Low (SCFM) 0-44/Low (DM3/S)
